## OGDEN NEWS.

OGDEN, UTAH. - - SEPT. 6, 1902.

IRRICATION CONVENTION

Water Users of Davis, Weber, Morgan and Summit Unite for a Reservoir System.

Republican Primaries Elect Delegates -Law and Motton Calendar and Other Court Business.

A meeting of the irrigators of Weber Davis Morgan and Summit counties who receive water from Weber river and its tributaries was held yesterday afternoon at the county court house. There was a good attendance of the elegates from all parts of the four counties. The following report of the committee appointed to look up sites and locate the same was made.

To the Chairman and Gentlemen of the Weber Irrigation Convention; "Gentlemen-We your committee ap-pointed by you to investigate and re-port on reservoir and water supply, beg leave to report, that we in company with A. F. Doremus, state engineer, and others invited by us have made a care al investigation of the water shed an ful investigation of the water shed and streams which can be made tributary to the Weber river system. The prospect is most encouraging for a water supply for all the land under the syssupply for all the land under the sys-tem by storage, and comply with what we believe to be your wishes, and to protect the people of the system, we spotsed two of our number to locate two sites and appropriate ample water-or them.

These gentlemen have selected one on what is known as Larribee's Pat in Weber canyon, which site occuples about 500 acres; and one on the lower end of Kamas valley, which site ecupies two by three miles. These two sites they believe will be ample

for our present needs. Your committee, through its investigations, has become alarmed at the danger menacing us in not being pro-ucted in our rights of appropriation, and would urge most strongly the necessity of prompt and vigorous action opportunity may be lost to us and we be brought into bondage to private speculators. In closing we de-sire to express our thanks to Mr. A. F, Doremus, state engineer, for the very valuable assistance so cheerfully rencered us in our labors.

T. L. ALLEN, J. T. THOMPSON, C. A. FERNELIUS, HENRY GREEN.

After the reading of the report th convention adjourned until 4:30 p. m. that the committee on organization might prepare its report. At that hour the convention reconvened and the following report was submitted:

"To the Chairman and Gentlemen of the Weber Convention.
"Gentlemen-We your committee on corporation for the purpose of storing water for irrigation and other purposes, of 50,000 shares of the par value of \$10 per share, \$1 to be paid down for subiption of stocks. That nine directors two from each of the counties, of Sum mit, Davis, Weber and Morgan cour ties, and one at large to be voted in which they come. The stock to be dis-tributed in proportion to present acreage. This proposition to be taken by the respective delegates to their con-

stituents, and a report to be made at an adjourned meeting how much stock they will take. And that a committee of 25 from Each county, should be elected to formviate a system for the equitable dis-tribution of the matural flow of the wat ers of Weber river and its tributarie according to the present acreage, said vaters to be distributed at canal head-Ales of each user or appropriator."

The report was adopted as read. The delegates decided to hold meethar future for the purpose of having sate Engineer A. F. Doremus explain he situation of the sites and the need of the reservoirs, and for the purpose srranging with Mr. Doremus for the the meetings the following emen representing each county ap stated to consult with the gentleman based Heiner, oMrgan; D. L. Jones T. L. Allen, Summit; and Wm hunter, Weber. It was decided to ommence work on the sites located and assessment of 1 cent per acre on all and irrigated in the countles will be made to raise funds with which to dethe immediate expenses of survey-

The convention then adjourned to beet again on Oct. 10 at 10 a. m., a

DISTRICT COURT BUSINESS. ore Judge Rolapp in the Second court the following business

Ras heard yesterday: Detective E. A. Franks was arraigned in the charge of perjury. He waived lime to plead and entered a plea of not rollity. The time of trial was not set. OGDEN'SOCIAL NEWS.

The leading social event of the season took place Wednesday, Sept. 3, when Miss F. Elizabeth Rackham and when Miss F. Elizabeth Rackham and Mr. George Lochhead Jr., were married in the Sait Lake Temple. The happy young couple returned home on the evening train from Salt Lake and were driven in a carriage to the pretty home of the groom's parents, No. 721 Twenty-sixth street, where they were received by a large number of relatives received by a large number of relatives and friends, who showered their con-gratulations and best wishes for a long and prosperous life upon the newly wed

couple The home was beautifully decorated for the occasion with cut flowers, ever-greens and potted plants arranged, making an exquisit effect. The bride wore a pretty gown of white, with lace

and ribbon trimmings.

A sumptuous wedding supper was served in the dining room and the evening passed quickly away with sweet vocal and instrumental music, games,

The bride was the popular saleslady at Mrs. Warren's millinery establish-ment, and the groom is the well known and highly respected foreman of the Rio Grande Western gasworks in this city. They are both popular in society circles. Mr. and Mrs. Lochhead will make their home at No. 2369 Jefferson Their presents were numerous and beautiful.

Mr. and Mrs. George Coulam of Salt Lake were Ogden visitors this week the guests of Mr. and Mrs. E. A. Lar-

Dr. S. L. Brick and wife returned nome Thursday from an extended eastern trip.

The Maccabees gave a very pleasing entertainment at the Lester Park pavilon Friday eyening, consisting of vocal and instrumental music, literary num-bers. There was a good attendance of the order's friends and all present spent an enjoyable evening.

Labor day was celebrated in Ogden Monday in a very appropriate manner under the auspices of the National Association Order of Machinists. A fine parade was given in the morning in which Gov. Wells participated. The afternoon was spent by an immense crowd at Glenwood park, in sports games, dancing, picnicing and other pleasures. The affair concluded with a grand ball at the Glenwood hall.

Miss Lulu Barr returned to her home in Salt Lake Monday, after a pleasant visit in Ogden with Miss Ruth Hurley.

Mrs. William Driver returned home Thursday evening from a two months' visit at Philadelphia with her daughter, Mrs. Frank Schoonover. Tuesday evening a number of the young friends of Mr. Frank Roy gave

him a surprise party at his home on Lincoln avenue. The evening was delightfully spent at music, singing, play-ing games and other pleasures, after which dainty refreshments were served.

Prof. Fred Reynolds, instructor in the Harvard college, was visiting in Ogden this week, the guest of Prof. Driggs, superintendent of the state Prof. Samuel Doxey and wife of Salt

Lake were in Ogden this week visiting with relatives and friends. Miss Mary A. Hickenlooper and Mr. Charles A. Packholm, two highly es-teemed young people of Pleasant View,

were married this week. Mrs. Emma Goddard and daughter

Mabel were visiting in Logan this week the guests of Joseph Quincy and family A grand opening ball was given Thursday evening at the Five Points hall.

Miss Cynthia E. Bowen and Peter Crezee, two popular young people of Ogden, were married Wednesday. In he evening they gave a reception at their new home on Monroe avenue, which was participated in by a large circle of relatives and friends.

HARD LINES FOR HOBOS. J. E. Burr, a City Prisoner, Taken Seriously III.

Special Correspondence. Provo, Sept. 6.-J. E. Burr, a mar about 30 years of age, who is serving a 25 days' sentence in the county jail for vagrancy, was taken seriously ill from neuralgia of the heart, Thursday night and it was thought he would die; but yesterday he was better. Burr claims to have a family in Arizona; he also claims to be a Knight of Pythias, but has refused to give the number of his lodge to local members of the order. A daughter has been born to Mr. and

Mrs. James A. Bullock; all well. Tom Rogers and Jim Curley, two fake tice John today to answer to the charge of peddling without a license. Rogers pleaded guilty and was sentenced to \$50 for him. Curley demanded a jury trial which resulted in a conviction. He was 'so fined \$50 and will serve 50 days in

Rev. Ketman, of Fremont, Neb., will breach in the Baptist church Sunday forenoon, and Rev. Bruce Kinney, of Salt Lake, will preach there in the evening.

### SALINA.

DOUBLE FUNERAL.

Epidemic of Typhoid and Other Ille - Painful Accidents. Special Correspondence.

Salina, Sevier Co., Sept. 5.—Never in the history of Salina has so much sickness been known as prevails at pres-ent. The principal trouble is typhoid fever, but there are numerous other diseases and complaints. Those afflicted with typhoid are as follows: Charles H. Gates, Lerinda Jorgensen Alvilda Scorup, James Scorup., Frank Nielsen, Oscar Nielsen and one or two others living near here. There has been one death in the past month from ty-phoid and several of those now sick are very low.

DOUBLE FUNERAL. On Wednesday a double funeral oc-curred. Mrs. Hyrum Murphy and Florence Herbert both died on Tues-day from inflammation of the bowels, and their funerals were held together at the meeting house. Remarks were made by Bishop Jensen, Counselor Anderson by Bishop Jensen, Counselor Anderson and Elder T. G. Humphrey. Appro-priate music was rendered by the choir. Mrs. Murphy was a most estimable lady and was loved by all her ac-queintances. She was formerly a resi-dent of Mill Creek ward, but moved here with her husband over 20 years here with her husband over 20 years ago. She leaves a large family to mourn her demise. Florence Herbert is the daughter of Mr. and Mrs. C. M. Herbert, and was only about 15 years of age. She was a lovable girl and will be much missed by her large circle of friends. The entire community is stricken with gloom over the deaths and sickness in our midst.

PUSHING WORK ON RAILROAD. The railroad grade is nearly completed to a point 20 miles up the canyon. The ilest two tunnels are almost completed and work on tunnels Nos. 4 and 5 is being rapidly pushed. There are ties piled up in the yards here enough for 19 or 12 miles of steel and more ties are coming in on every train. One of the engineers, who is well up in the work here, states definitely that the cut-off is sure to go through and ere long work will be pushed from
